End of the hallway, Door on the left
In the darkness don't forget to skip a step
Down in the basement, There is a hole
And they won't fix it, though it's claimed so many souls

SO WE WHISPER, SO WE WARN,
SO WE WON'T BURN DOWN
THE HOUSE WHERE WE WERE BORN
IS A MONSTER HIDDEN THERE?
TELL ME, WHY WON'T WE REPAIR
THE MISSING STAIR?

Walking on eggshells, Walking away
Always so careful with the words I choose to say
Here in the lamplight, Everything glows
Blurring the lines between the lies and what I know

CHORUS + ALT CHORUS

Shoulda done something, Coulda done more
I didn't see you when you opened up that door
They're gonna blame you, For breaking your bones
Call it gravity while casting all their stones

STILL WE WHISPER, STILL WE WARN
'CAUSE WE CAN'T BURN DOWN
THE HOUSE WHERE WE WERE BORN
MADE A MONSTER, HID HIM THERE
TELL ME, WHEN WILL WE REPAIR
THE MISSING STAIR? + ALT CHORUS
